Dear First Name,

As co-chairs of the 2025 Women's Employment Network (WEN) Annual Luncheon, we are thrilled to invite you to join us on Tuesday, April 22, 2025, at the Sheraton Kansas City Hotel at Crown Center for an inspiring and impactful event. It is a privilege to serve as co-chairs once again, having both previously chaired this luncheon and served as WEN board chairs. Our ongoing involvement reflects our deep belief in WEN and its critical role in empowering women in our community.

This year, our theme celebrates the power of dynamic duos — because partnerships are at the heart of WEN's success. WEN and you, board and volunteers, clients and community partners, employers and job seekers: together, these partnerships drive positive change, fueling opportunities for women and advancing our community. Nearly 40 years ago, Beth K. Smith and Marjorie Powell Allen — another dynamic duo — founded WEN with a shared vision to help women rebuild their lives. Today, that vision continues, strengthened by the collaborative spirit that unites us in our mission to empower women seeking new opportunities to reclaim their independence.

We invite you not just as a guest, but as a partner in transforming lives — a powerful dynamic duo. By becoming a sponsor or table host, you will help us celebrate WEN's profound impact on our community. At the luncheon, you'll hear inspiring stories of resilience and success from our clients that embody WEN's mission. We will also recognize business and community leaders who share our commitment to advancing economic independence for women and their families.

Please return the enclosed commitment form by February 7, 2025, to be included in the 3,500 event invitations, or by March 21, 2025, to be featured in the 1,200 event programs. If you have any questions about sponsorship or table host opportunities, please contact Erin Cole, Chief Development Officer, at 816-595-1297 or ecole@kcwen.org.

Thank you for your consideration, and we look forward to your support of this extraordinary event and the dynamic duos that make it possible.

Sincerely,

Angela Hurt and Megan McCurdy
